ATTENDANCE

When students miss a day they must make up that time doing some kind of physical activity to get credit for that class period. They must workout for 60 minutes and have a parent or guardian sign the make up slips (the students will get from Mr. Matthies) recording their activity. The students may choose the physical activity they want to do. If not make up slip is not received after two days, they will receive a zero for that class period.

The students need to be in their PE spots 4 minutes after the 2nd bell rings or they are tardy.
